

Nitanshu Khatri

FRONTEND ENGINEER

Phone: 9999813245 | **Email:** nitanshukhatri@yahoo.in | **LinkedIn:** linkedin.com/in/nitanshukhatri

ABOUT ME

More than 8 years of experience in front-end development I am able to search and find creative and effective solutions for business problems of varying complexity. Love complex and unusual projects, clean code and a minimum of third-party libraries. I pay special attention to the performance and accessibility of the product. Love to work in a team. Quickly learning and understanding new technologies for myself.

WORK EXPERIENCE

Apr 2021 - Current

Staff Software Engineer | Gurgaon CBRE

- Worked with UX/UI design teams to improve existing application.
- Designed multiple dynamic and browser compatible pages using HTML5, CSS3, JavaScript (React, Redux).
